ANTI-SALOON DAY IN CITY CHURCHES

State Workers to Address Congregations on Work of League at Sunday Services.

Anti-saloon day will be observed in the various churches of the city tomorrow and state officers will be here to speak at a number of the services. At the First Methodist church P. B. Ebborg, state attorney for the league, will speak at the hour of morning worship. In the evening at this church the pastor, Rev. O. T. Dwinell, will preach a sermon suggested by an article, "How I Tried to Break Into the Church," written by George Innes for the December number of the Ladies' Home Journal. Dr. Dwinell advises his congregation to read the article and then go to church and hear what he has to say on the subject and he promises them he has something worth while listening to.

At Broadway Presbyterian church at the morning service F. Scott McBride state superintendent of the Anti-Saloon league, will be the speaker and will tell of the work of the league. In the evening the pastor Rev. James Edgar Wilson will give the second of a series on "Sin," taking as his theme, "The Reality and Confession of Sin."

At the United Presbyterian church, G. W. James of Galesburg will speak at the hour of evening worship, on the subject of temperance.

HIGH SCHOOL NOTES.

The weekly meeting of the Ciceronian Literary society was held Thursday night at the high school. The program rendered was as follows: Piano selection—Eugene Brown. Jokes—Clifford Myers.

The Tri-City Declaration Contest—Lewis E. Saulpaugh. Debate, "Resolved, That a voter should in all cases cast his vote without respect to party lines." Affirmative, Edgar James, Vivian Thomas; negative, Robert Anderson, Robert E. Olmsted. Decision of judges, three to two in favor of the negative.

The surprise of the evening came when, upon a motion made by Mr. Saulpaugh, the society voted in favor of a complete reorganization, except for retaining the same officers. The motion was hotly contested, many of the boys being unwilling to give up the old constitution on such short notice, but finally the motion was agreed to and unanimously passed. A motion was then made and carried appointing the president of the society temporary chairman, with power to appoint the committee to frame a new constitution. It was then agreed that the new constitution should provide for a charter membership of 30, all those entering the society afterwards submitting to an initiation test. As there were 37 present at the meeting, there was a rush to be included in the charter membership and those promising to be present at the Ciceronian spread, to be held on Dec. 15, were the first to be considered. The committee to frame the new constitution was composed of Edgar James, Vivian Thomas, Lewis Saulpaugh, Robert Anderson and Verner Hallgren.

The Thedaphic society held its regular weekly meeting Thursday afternoon. The program rendered was as follows:

Piano solo—Edith Pricke. Myth—Rogella Benson. Piano solo—Mary Smith.

Original Story—Thora Forsberg. Preliminary contest for the "Big Eight" declamatory event of the Rock Island high school was held last evening.

John Robb won first place, with "The Man in the Shadow," and second place was awarded to Robert E. Olmsted, who spoke on "The Perfect Tribute." The "Big Eight" declamatory contest is to be held in Davenport, Dec. 10, and John Robb will represent Rock Island.

SKOGH IS WINNER OF FIRST HONORS

Carries Off Highest Place in Moline School Declaration Contest and Literary "M."

Clifford Skogh last evening carried off first honors in the Moline high school declaration contest. He is, as a result, winner of the gold medal, the literary "M," and the honor of representing the Moline school in the "Big Eight" event at Davenport one week hence. Skogh's selection, "Conor," was most difficult to deliver and his rendition was perfect.

Dan McNeal won second place and the silver medal with his declamation, "Buck." McNeal also had an excellent delivery and held attention of his audience. It is interesting to note that winners of first and second places in the Moline contest were also winners of first and second in the Davenport round of the tri-city contest. Both are prominent in other school activities. Skogh is business manager of this year's annual.

The declamatory event of last evening officially opened literary activities of the Moline school for the year.

SCHOOL RESUMED AT VILLA DE CHANTAL

Repairs to the heating plant at the Villa de Chantal were completed yesterday and school was resumed this morning. Resident students stayed with friends in the city during the time the school was closed. Sessions will be held on Saturday to enable the pupils to catch up in their studies.

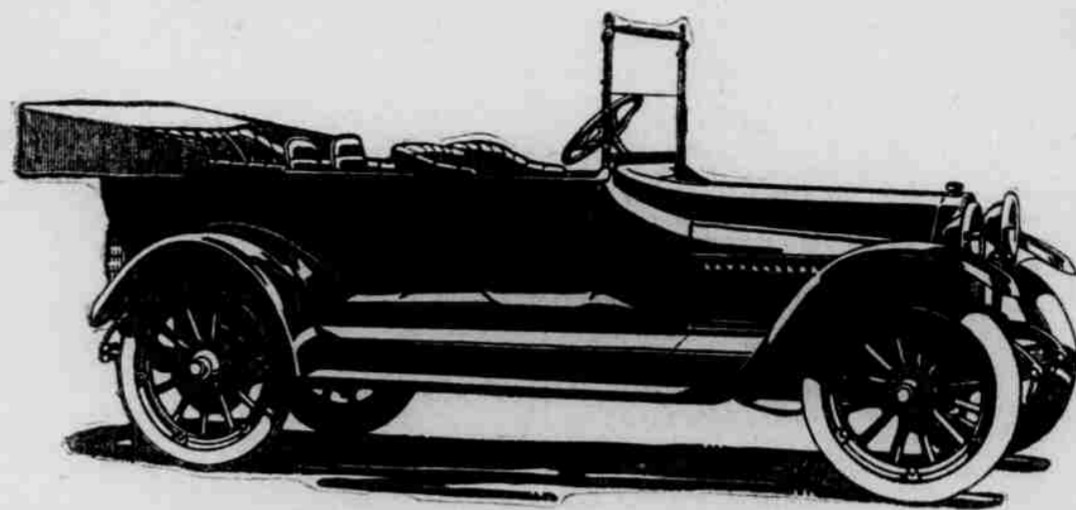

TAVENNER HEAD OF THREE COMMITTEES

In the assignment of committees of the new house of representatives Congressman Tavenner, according to the preliminary announcements, is to be chairman of the committee on expenditures of the postoffice department and also of the committee on roads and the committee on printing, the Rock Island congressman being among the most conspicuous of the representatives recognized in the house organization.

Omit Aiken Street Service. Preaching services at the Aiken street chapel tomorrow evening will be omitted, the acting pastor being absent from the city. On the following Sunday evening W. S. Carpenter will preach.

This is the Studebaker that made 1188 miles in 42 hours!

—and every other Studebaker is EXACTLY like it!

Get that in your mind.

This record was made by a STOCK car—exactly the same in every way as the car you'd get if you came in today and ordered a Studebaker "SIX."

The car you'd get and every other Studebaker "SIX" will do exactly what this car did.

It has the same POWER (50 h. p.)—the same stamina—the same speed—the same flexibility—the same ECONOMY of gasoline and oil—the same riding-comforts. And it will take hills and plow along over muddy roads just as readily as this car did.

Think! 1188 miles in 42 hours running time. An average of 28.6 miles per hour all the way. It used only 112 gallons of gasoline for the entire run, making 10.6 miles to the gallon. And it used only 6 quarts oil.
